RE: Pepsi & Ice

Greetings,

Pepsi & Ice will be handled in the same way as last year with a few exceptions below.

Ice will start going around to the vendors approximately 1 hour before gates and will run until approximately 1 hour prior to the close of gates each day.

For the 2011 fair we will be moving towards a pickup only for the entire fair. The reason for going to pickups only during the fair is due to the safety concerns with getting trucks with hundreds of pounds of ice and Pepsi product(s) through the busy crowds. In addition, heavy crowds prohibit us from getting you product in a timely manner.

On the reverse side of this page are prices, brands, and times. Please note that we do not take credit cards, give out credits, or give refunds. There will be multiple ATM's located throughout the fair. We will have receipts available upon request.

Pepsi will not be supplying the equipment to sell Premix nor will they be supplying any ice bins.

For Co2, the tanks will be "tagged/marked" and will need to be brought back to the pickup area on the last day (Saturday, September 18, 2010) by 10:00pm if it's not a trade out. There is no refund for any used/unused Co2 or any other products, only refunds for the security deposit on the Co2. We will **NOT** take any Coca-Cola Co2 Tanks (Red in Color) or smaller tanks than what was given out. Any Co2 that is not received on the last day by 10:00pm will not get a refund.

We look forward to building a positive business relationship with each of you and look forward to seeing you at the fair for years to come.

Thank you,

Cabarrus Arena & Events Center
Cabarrus County Fair
