- Lead with kindness and respect! This starts at the very beginning. If a vendor can't be kind to staff during the application process, vendor onboarding process, or set-up processes then Management will assume the vendor will treat Fair patrons similarly and face an immediate loss of consideration and/or space.
- Disrespect of any kind to any Fair staff member, volunteer, patrons or other vendors will not be tolerated regardless of whether it occurs in person, via phone or email. This includes, but is not limited to, acting in a way that is deemed unprofessional, rude, hostile, loud, or aggressive, arguing unnecessarily, using inappropriate language or gestures, throwing any item(s), ignoring directions, or making threats.

- Vendors and their staff will provide fairgoers with exceptional customer service, and treat patrons courteously, ethically, and professionally. If asked, Vendors and their staff will provide fairgoers with information about other products, services, or attractions at the Fair or politely direct them to someone who can assist them.
- Vendors and their staff will provide a clean and well-maintained business and ensure that fairgoers feel welcomed and encouraged to return at a future date.
- Vendors and their staff will handle all inquiries, request, transactions, correspondence, and complaints promptly and fairly, and abide by all applicable federal, state, and local laws.
- Vendors will exercise truth in all promotional materials concerning products, services, or amenities provided.
- It is the policy of the Fair to investigate all complaints and allegations of vendor misconduct. This includes not only violations of these rules, but other acts of impropriety, the appearance of impropriety, and conduct which may, in the opinion of the Fair, affect the well-being and reputation of the Cabarrus County Fair or prove detrimental or adverse to the interests of the Cabarrus County Fair.

RESPONSIBLE ACTION

- The Vendor is responsible for their own actions, as well as the actions of their agents, employees, volunteers, and suppliers and must reimburse the Fair for any damage to or loss of Fair or other property. Reimbursement for damage or loss shall include not only the cost of replacement property, but also the fair market value of necessary labor and supplies.
- Vendors are responsible for keeping lines from their space from impeding the flow of traffic on walkways or impeding access to other vendors.
- Advertising in any manner outside the space is strictly prohibited. No Exceptions. Advertising outside one's space will be considered a violation.
- Use of tobacco or e-cigarettes (vaping) is not permitted on the fairgrounds except in designated areas not viewable by patrons set forth by the Fair.

CABARRUS COUNTY FAIR INSIDE VENDORS

The Fair Mercantile:

Gold Hall 2 is the ONLY vendor building. Gold Hall 1 features government and community exhibits, crafters, competitive and educational exhibits. The Event Center has livestock exhibits, a show ring and more educational exhibits. Some spaces are available for rent in the Event Center if your product is agricultural based. Contact the Fair Office for more information if you are interested in Event Center Rental space. Vendors selling or distributing food or drink products are considered Outside Vendors. Currently, the Fair does not permit food or drink sales inside.

RENTAL FEE:

The rental fee per 10" x 10' booth is \$150-\$250, depending on the location.

BOOTH MATERIALS:

All standard booths are **10' x 10'**. Booths along the perimeter of the building wall include 8' back drape and 3' side drape plus one 6' skirted table and 2 chairs.

Electric: There are standard electrical receptors in the building but there may not be one close to your booth location. Standard electric does not incur a fee. Vendors are responsible for their own extension cord, if needed. There is availability, with a fee based on need, to accommodate additional electrical requests. If you require additional electric please include your need(s) in detail on your application.

The vendor is responsible for providing any needed extension cords, banners, shelving, props, decorations, additional tables or chairs, etc. Nothing may be attached to the drape that could damage the drape in any way. Tents are not permitted. Some large or oversized booth displays may not be approved if they could negatively impact the view of nearby vendor booths. Be sure and include detailed photos of your booth appearance/set-up and products with your application to assist in avoiding last minute change directive by Fair Management upon set-up.

Internet Service: There is free access to vendors in the buildings but the bandwidth available is limited. Credit card or other devices may not work reliably or at all if they use 3G (or older) technology or during high traffic times.

VENDOR PASSES:

Each booth will receive 2 **Vendor Season Passes per booth rental**. If additional Vendor Season Passes are needed, they may purchase additional season passes for \$40.00 each **until noon on Wednesday, August 19. After that date any additional personnel will simply pay the general gate** admission the day of entry. There is NO Will Call area to leave passes. All passes are handed out in the arrival packet when vendors check-in at setup.

SET-UP HOURS:

Inside Vendors will set-up Thursday, September 10 between 9:00 am and 5:00 pm and Friday, September 11 between 9:00am and 2:00pm ONLY. ALL VENDORS MUST BE SET-UP AND READY BY 3:00 PM, FRIDAY, SEPTEMBER 11, 2026. No exceptions. In the event that any vendor fails to occupy leased space, by 2:00 pm on Friday, September 11, 2026, their contract may be terminated by Fair Management. No refund will be made in such a case and the Fair is authorized to resell space to another vendor.

INSIDE VENDOR HOURS:

Personnel staffing booths may only enter the buildings 1 hour before the general admission gates open and **must depart when the buildings close each night**. Buildings close 1 hour prior to the midway daily. Due to security and sanitization measures, when the building closes you will be asked to depart. Plan ahead and start to straighten up early. You will be given building access a full hour ahead of the fair opening on the following day. **Your booth must be staffed during building hours.** Should you be unable to staff your booth, arrive late or leave early for ANY reason, vendors risk loss of space, without refund. Foot traffic can vary daily. Even if foot traffic is slow, your booth MUST be staffed.

You are welcome to take this sign with you when you go but there will be a **\$30 charge** to cover the cost of replacement if it is missing after you breakdown.

- All persons or companies who would like to conduct prize drawings must first get approval from Fair Management at least 10 business days prior to Fair opening. If approval is given then they must submit to Fair Management within two (2) weeks after the close of the Fair a written email listing the name, address and prize delivered to each winner. Raffles are prohibited.

TEARDOWN: On Saturday, September 20, 2026 at 11:00 pm, tear down will begin. This will be done in a professional manner. The Cabarrus County Fair will permit vehicles to move into the facility using an orderly system. Gold Hall will close at 10:00 pm, Saturday, Sept. 20. NO VENDOR CAN TEARDOWN PRIOR TO THIS TIME. ONLY vendors who have minimal* items (*can be easily carried out to your car, where you are currently parked) will be allowed to completely breakdown after 10:00 pm and leave through the front of Gold Hall. The building will open again on Sunday, Sept 20 from 10:00 am to 3:00 pm for anyone not wishing to move out Saturday evening. All Vendors, equipment, vehicles and merchandise must be off the property by Sunday, Sept 20 by 3:00 pm. CABARRUS COUNTY FAIR CERTIFICATE OF INSURANCE INFORMATION

Approved Vendors will have until August 1 to send a copy of your proof of liability insurance to the Fair. Each vendor participating in the Cabarrus County Fair shall, at the vendors' expense, provide insurance coverage for personal injury and property damage in the amount of \$1,000,000 per occurrence/\$2,000,000 per aggregate to cover all of the vendors' time and activities at the Fair. A Certificate of Liability Insurance with a company licensed to do business in North Carolina must be on file in the Fair Office prior to August 1.

The Certificate of Insurance MUST list Cabarrus County as an additional named insured, not just as certificate holder. It shall be a condition of this insurance coverage, and so indicated on the Certificate of Insurance presented to the Fair, that the insurer agrees not to cancel or reduce the limits of the coverage without first giving the Fair 30 days written notice. It is the sole responsibility of the vendor to provide workers compensation insurance to cover the vendors' own workers and vendors' property.

Vendors' insurance coverage(s) shall be on a primary basis or a primary and non-contributory basis over any other insurance that may be available to Cabarrus County in respect to the vendors' contract. Each vendor's insurance agent is required to forward the additional insured endorsement language (form) along with the certificate.

Helpful COI Tips

When requesting a COI from your provider, please send them these tips to ensure accuracy:

1. **\$1,000,000 General Liability**, also showing coverage for personal injury & property damage ****If you have been approved to sell products at the Fair you must have products coverage.****
2. **\$2,000,000 General Aggregate**
(Don't forget to check what the aggregate limit applies for on the COI)
3. **Certificate Holder:** Cabarrus County (Do **NOT** list Cabarrus County *Fair*).
Attn: FAIR
PO Box 707
Concord NC 28026
4. List "Cabarrus County" as **Additionally Insured** (Do **NOT** list Cabarrus County *Fair*).
5. **Per your contract the Description Box must contain the following language:**
"Cabarrus County, its agents, officers, and assigns are named as additional insured. Insured is primary and non-contributory".
6. **ACORD FORM VERSION:** If using the Acord form for your COI the form used **MUST** be the most updated version Acord 25 (2016/03), older versions of this form will not be accepted.
7. **When listing the dates of the Fair** on the COI for coverage, it should read September 11-19, 2026.
This insures you are covered during any set-up and tear down, which is required.

Certificates should be sent to fair@cabarruscounty.us

Before sending in your COI, double check your COI with this list to ensure accuracy. A completely accurate COI is due by August 1.
